# JEFFREY VEREGGE

Jeffrey Veregge, 50, passed away April 12, 2024, after a courageous battle with lupus. A member of the Port Gamble S'Klallam Tribe, Veregge created a style he called "Salish geek," which combined Native American art, graphic design and comic-book heroes. His striking covers on *Red Wolf* and *Heroes Reborn* stood out from everything else on comic shelves. In 2018, The Smithsonian opened Veregge's exhibition "Of Gods and Heroes," which included his epic mural for the Museum of the Native American in New York. His work on comic covers and in public spaces leaves a fantastic legacy that will long be remembered. Our hearts go out to his family and friends.

## BLOOD HUNT

With his mutant healing factor, enhanced senses and razor-sharp adamantium claws, the mutant known as **LOGAN** has been sought after and used as a weapon countless times in his long life. Now he saves no man, doing what he does best wherever he sees fit as the **WOLVERINE**.

Vampires, using Darkforce energy to blot out the sun, are now free to roam the Earth, terrorizing humanity in a bid for world domination. Who can stand against the undead horde?

CALIFORNIA,  
SOMEWHERE  
WEST OF BARSTON.

Whole world's  
goin' straight

which ain't exactly

Only this  
time...

...feels like there's a  
good chance it'll finally  
get all the way there.

Meanwhile, I'm  
drinking alone in some  
hole-in-the-wall dive,  
waiting for a friend  
to arrive on the off  
chance they might be  
able to help me stop  
it from happening.

Wounds

On the bright side,

On the not-so-

There  
you are,  
Wolverine.

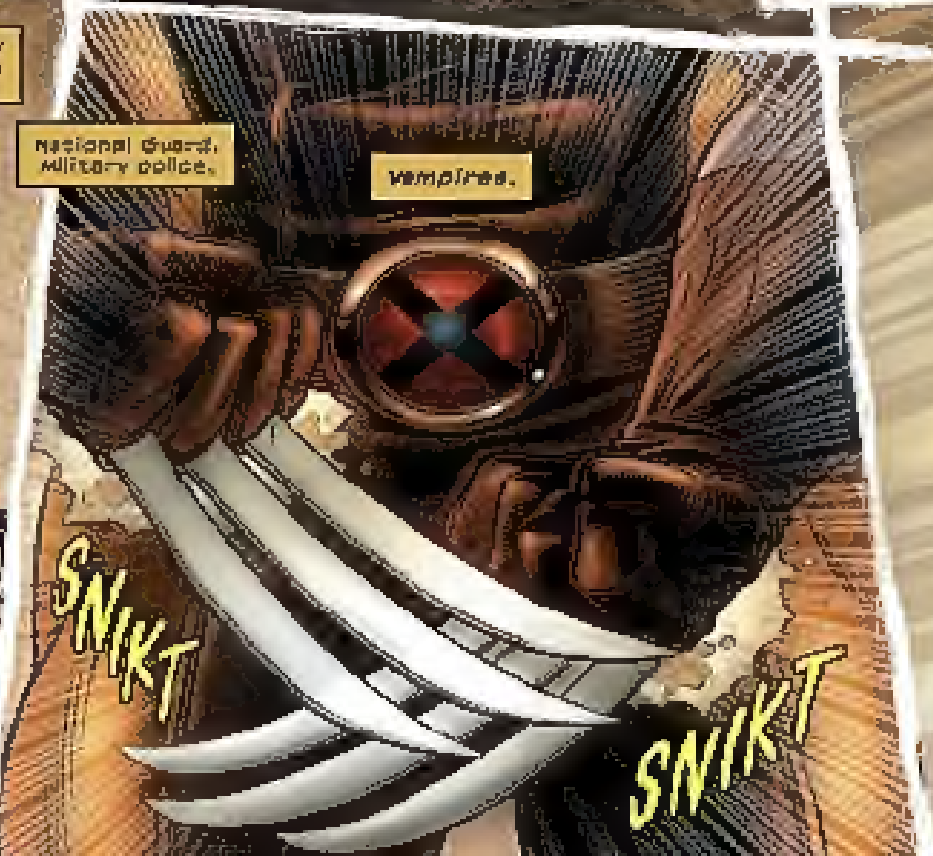

...this ain't

Yeah?

Who's  
we, bub?

I already  
know the  
answer.

National Guard,  
Military Police.

Vampires.

And a bleedin'-heart voice inside me screams that these kids didn't sign up for this.

Enlisted to serve their country, make their parents proud, earn some money for college, maybe.

For a split second, I hesitate.

Just remember what the boss said—mutie's got healing powers.

Don't waste time tryin' to save him!

BLAM BLAM

DUM!

Stupid mistake.

Looks like...

Looks like the big, bad Wolverine don't do so good against 45-cal, hey, fallin'?

Out shots muzzle the sympathetic voice, cutting loose the monster. I kept coddled inside next to it.

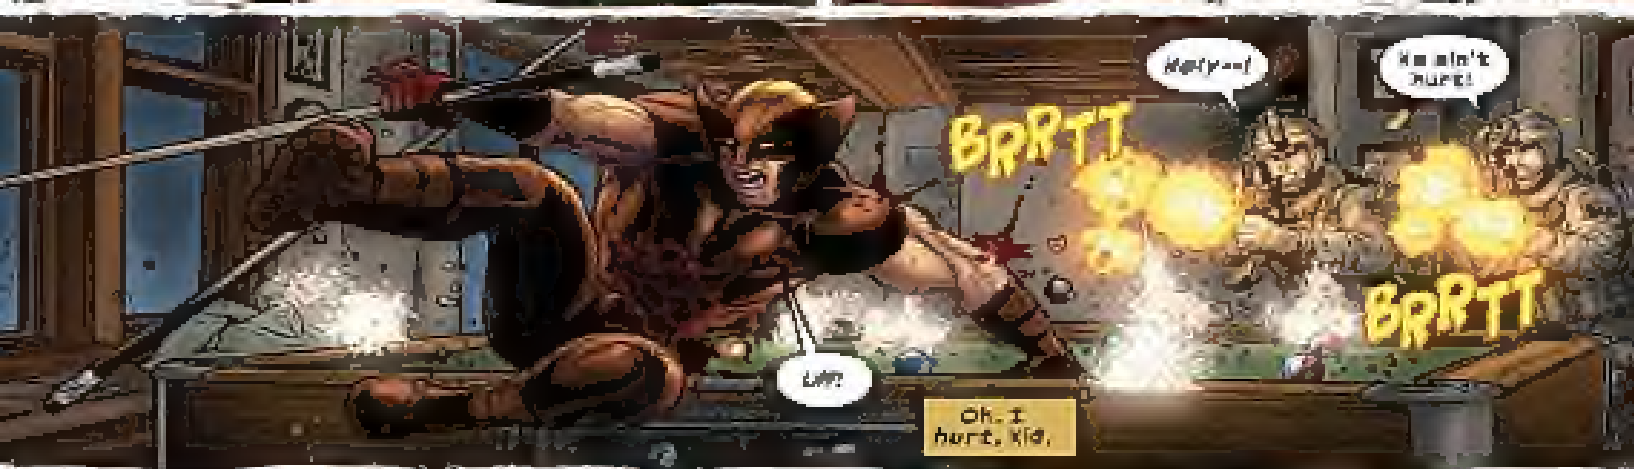

And the monster...

...never hesitates.

It ain't hurt!

Oh, I hurt, kid.

She never gave me her last name I never asked

It is quite fascinating, my friend

You is was trained from an early age by an ancient holy order called the Nightguard

the vampire hunters whose sworn duty was to seek out and exterminate the bloodsucking scum from the face of the Earth

How so much death and destruction always seems to follow you

We first met in France

You he saved my bacon after some of Dracula's minions shanghaied me in Paris to exploit the mutant healing factor of my blood

By the time our paths crossed again her entire war had either been sloughered by the vampires they hunted

WOLVERINE (2020) #1 Back Issue Base

or turned.

Some things never change huh

Change is overrated you ask me

How 'bout you? Anything new since you've been gone?

Cui, Many things. The time I've spent away has shown me what I am, and what I am not

When my Order was destroyed, when I was transformed into the very thing I abhor above all else.

I believed my purpose for existing to be at an end

As it turns out

I was only half right

When nurse was turned, the monster in me wanted to put her down permanently

I kept it caged

instead I took  
her to Nevada.

A place in the realm of  
Otherworld populated by  
vampires who learned a  
long time ago how to  
control their bloodlust.

When I  
became a vampire  
my life ended. It's  
true.

But in several th  
I have learned that  
need not be the case  
for my life's purpose  
as well.

The human I  
once was is dead. But  
the undead creature I  
have become, the foot  
of the Nightguard,  
continues to fight for  
humanity.

It is why  
I answered  
your call.

Yeah we  
take it from me.  
Whatever you wanna  
call yourself the best  
thing you can do is to  
grasp onto any shred  
of humanity  
you can.

Whatever  
it takes to  
remember you  
ain't just a  
monster.

That is as  
they say easier  
said than done.  
MON AM.

I'll  
drink to  
that.

So to  
me, togeth  
how can I  
help you?

Yeah  
figured you  
might be  
wonderin'  
that.

Whole thing  
started a few  
days ago.

"Like you I've danced  
with bloodsuckers more  
times than I can count

"And I've learned the  
quickest way to end  
their feeding frenzies  
is to not use my head

" while making  
damn sure they  
use theirs

I mopped the casino floor with  
the rest-a cop ~~spike~~ and  
headed outside to see if there  
were anymore bloodsuckers in  
need of a permanent hair cut

"Yeah,  
Plenty more

"Painting the  
parking lot red  
under a pitch  
black sky

"That's when  
he hit me.

"I was  
wounded

Oh  
yeah

"I ain't takin' about lunchtime for the vamps either. It was 11:00 PM, y' the middle of the day and it was cork as he

"No but no sta s Nothin'

I figured it was nigh time to get the eggs outta Dodge at that point

"No way I was going to be stupid enough to stick around when the vamps had that kinda advantage

"I needed to regroup and re-strategize but I needed into first

"I made two calls after my little casino throwdown. First one was to Wolfenstein - a agent and a

it's Logan what the hell's go on and

"... he gave me the down why two night-time at noon

"It's happening all over everywhere. men, vampires took control of a bunch of Darkforce units. Bailing out the entire planet

"Now the damn things are killing or turning everyone in their paths"

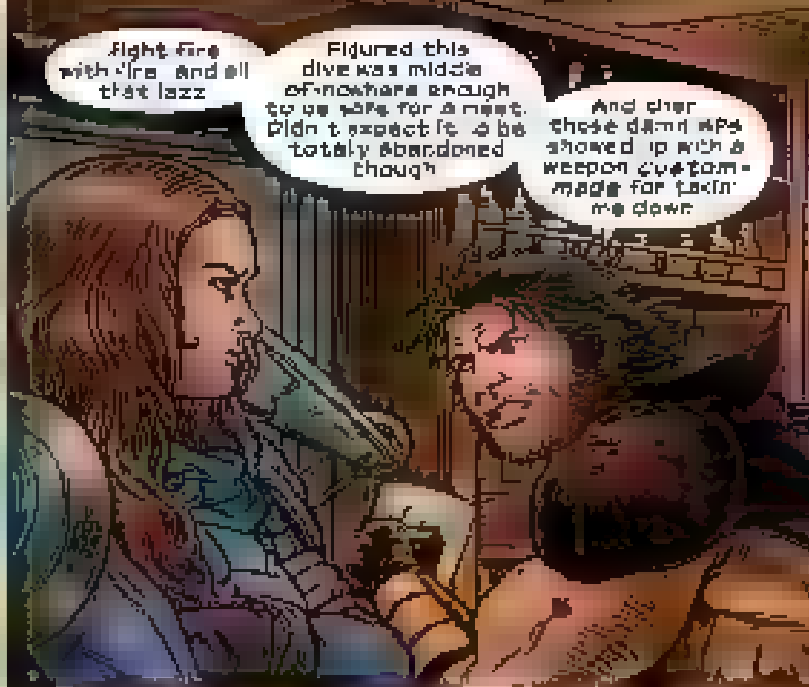

"They got us government types hunk'ing underground while your Badass party go s fight 'em upstairs. But I gotta tell you Logan

..things  
aren't looking  
so hot for the  
good guys  
right now

Tell  
me about  
it

"Se. old col was  
to you wanted  
to tap into your  
vamp expertise "

fight fire  
with fire And all  
that jazz

Figured this  
dive was middle  
of nowhere enough  
to be safe for a meet.  
Didn't expect it to be  
totally abandoned  
though

And then  
these damn MPs  
showed up with a  
weapon custom-  
made for takin'  
me down

So, both the  
soldiers and the  
cops-no guards seemed  
to be seeking you out  
specifically. Do you  
have any idea why  
that might be?

No clue. I'm  
hopin' my guy on  
the inside can help  
on that front

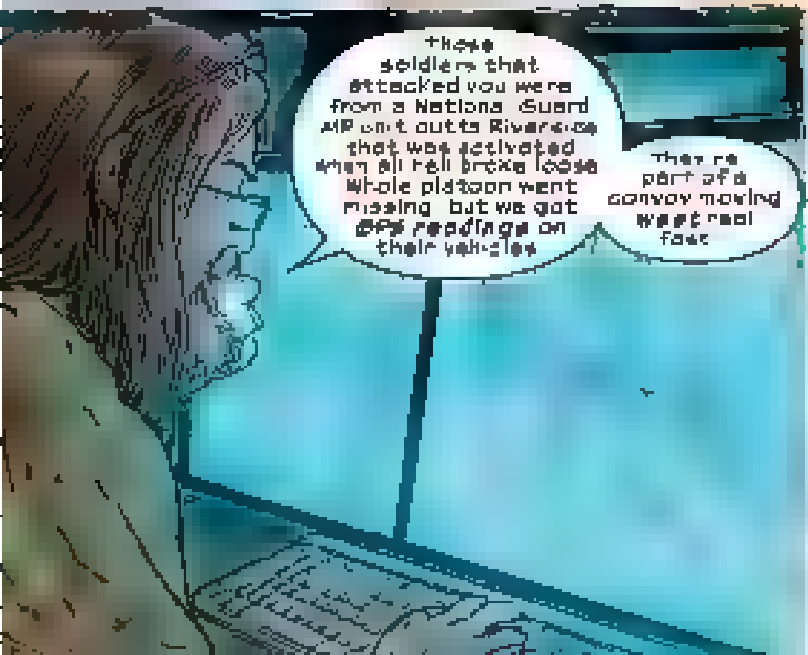

Logan. It's  
Bannister

Yeah  
ol' bra  
devil.

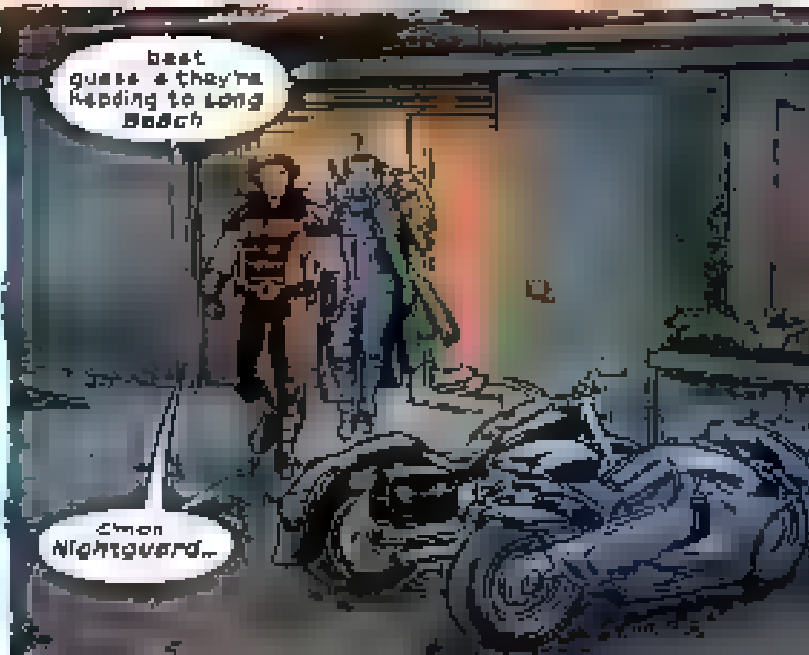

Whatcha  
got for me  
Jaffy?

A lot  
actually

those  
soldiers that  
attacked you were  
from a National Guard  
MP unit outta Riverside  
that was activated  
when all hell broke loose.  
Whole platoon went  
missing, but we got  
GPS readings on  
their vehicles

They're  
part of a  
convoy moving  
west real  
fast

best  
guess is they're  
heading to Long  
Beach

Cyran  
Nightguard..

"...time to  
hunt."

CALIFORNIA,  
JUST NORTHEAST OF LONG BEACH.

Never seen the  
roads this  
empty before.

Guess  
anyone with  
half a brain's  
leavin' town.

Comin' up  
on the wrong  
beach  
again.

Should be a  
straight shot  
from here.

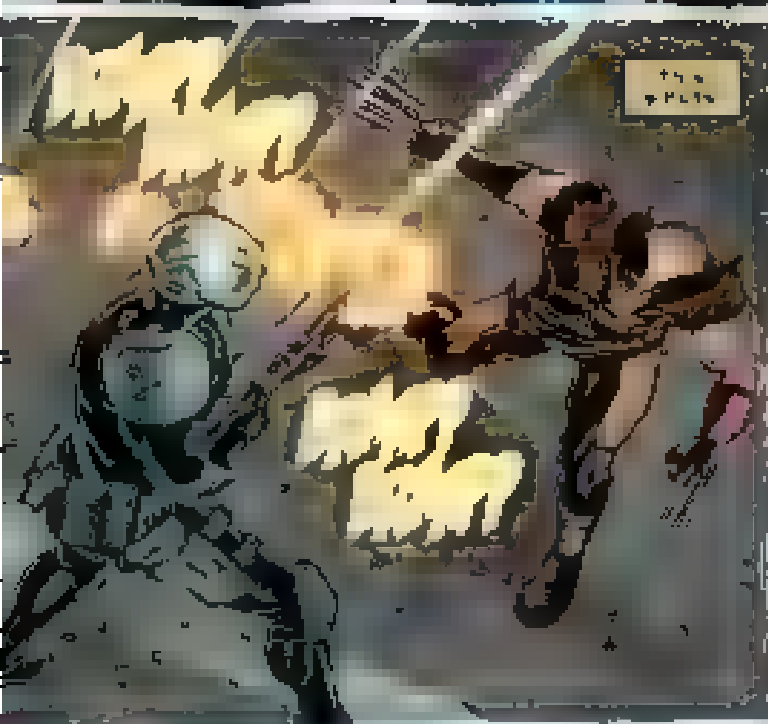

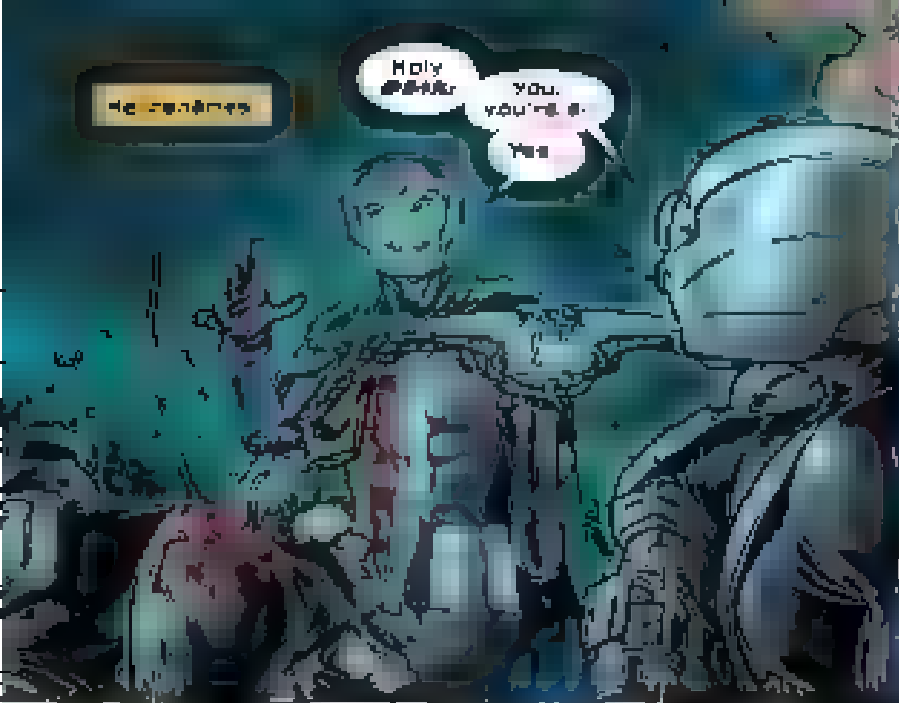

Oh  
shit.

Me  
and my big  
mouth.

WHOOOSH

You okay?

Guy. Marcel.

You are no longer the only one of us able to hear, quicky man.

Logan? You there?

Sonlater?

Quess again.

Mav?

The one and only. How's it hangin' buddy?

Maverick A.K.A. David North E to merc.

We got a ang-his-ty together all the way back to the Tadm X days. Good and bad.

\* LOMB cited

What the hell Mav? Buncha your guys just ambushed me on the 201.

Yeah I know. And it's poorly seen' as you're still standing.

Smile for the birdie.

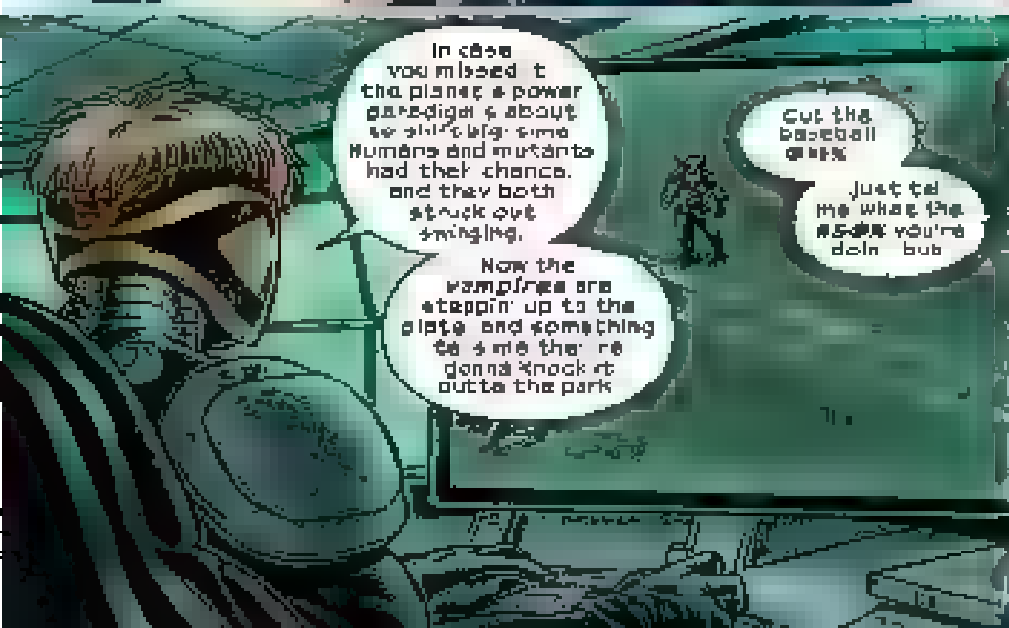

Walt, you sent 'em after me?

Those was a weekend warrior scrubs in Barstow too. Security gone in Vegas before that. A little early proof of concept for my new partners.

Figures. Who's wasting their dough payin' you to kill me this time?

Nah you got it wrong, pal. This ain't about money. Or killing you. It's about bringing you over to my side.

In case you missed it, the planet's power paradigm's about to shift big-time. Humans and mutants had their chance, and they both struck out swinging.

Now the vampires are steppin' up to the plate and something to me they're gonna knock it outta the park.

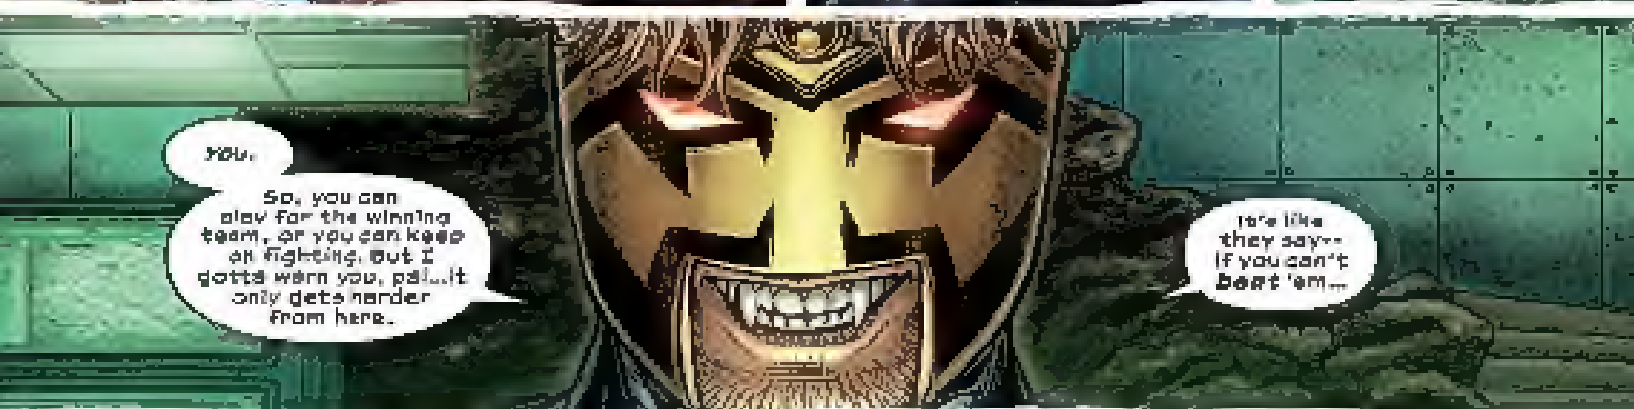

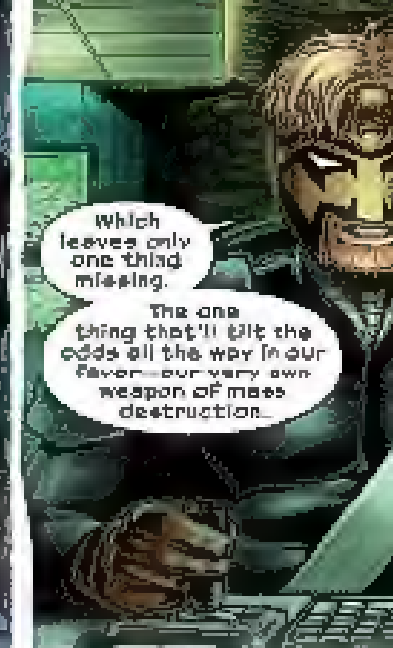

Cut the baseball game.

Just tell me what the hell you're doin' bub.

Prepping for the impending power vacuum. When all that's left are vampires fighting for the crown.

And you think sendin' a buncha bloodsuckers after me's some kinda effective recruiting technique?

TO BE CONTINUED...
